

Confidence Through HORSEMANSHIP

a 2-Day Clinic with

LUKE REINBOLD

May 14-15, 2022 *

Stargazer Farm

East Woodstock, CT

This clinic will cover:

- Valuable groundwork exercises
- Gaining your horse's body control
- Reducing your horse's anxiety level to help your anxiety level subside
- Teaching your horse to go where asked at the speed you ask
- Breaking down your goals into steps
- Working with obstacles

Participating in a *Confidence Through Horsemanship* clinic will help you become the partner your horse wants and needs by giving you the tools to communicate with your horse, gain your horse's trust, earn its respect, and in the process build your confidence. As a human and horse educator, Luke creates opportunities where horse and human can work together as he encourages people to learn the horse's language and how horses naturally communicate. The goal for participants is to leave the clinic with a better understanding of how to communicate with their horse in a way that horses understand. **Limit of 10 riders.**

* Saturday 10 am - 4 pm; Sunday 9 am - 3 pm

Luke Reinbold is a professional horse trainer who specializes in helping riders gain confidence, starting colts, and working with troubled horses. He believes everything is a possible opportunity to teach our horse, from things found on the trail to ranch work, obstacles, and working cows and gates. Luke has successfully competed in Obstacle Challenges, Mustang Makovers, Colt Starting Competitions, Extreme Cowboy Races, Ranch Horse, and Versatility Competitions. He was a clinician at the Massachusetts Equine Affaire in November.
